We Are Ready for Digital World is a project on New Technologies applied to the teaching and learning process and aiming at quality education.

It is particularly focused on apps and platforms used during Covid-19 lockdowns, when attending classes was not possible.

Spain, Greece, Turkey, Lithuania and North Macedonia are the participating countries.

KA226 - "WE ARE READY FOR A DIGITAL WORLD"

DIDACTICS AND PRACTICE OF VIRTUAL PLATFORMS, WEB 2.0 APPLICATIONS, AR, AV, MOBILE APPS AND IOT

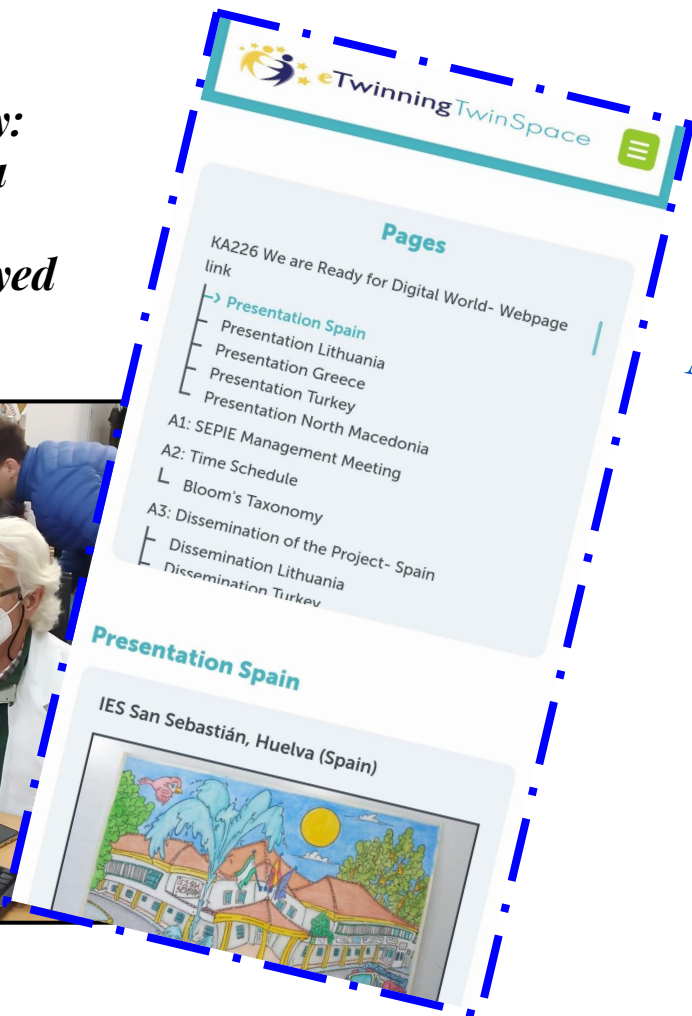

Co-funded by the Erasmus+ Programme of the European Union

Previous work before the mobility: we decided that WordPress was a more versatile site than Wix to disseminate the project as displayed on eTwinning.

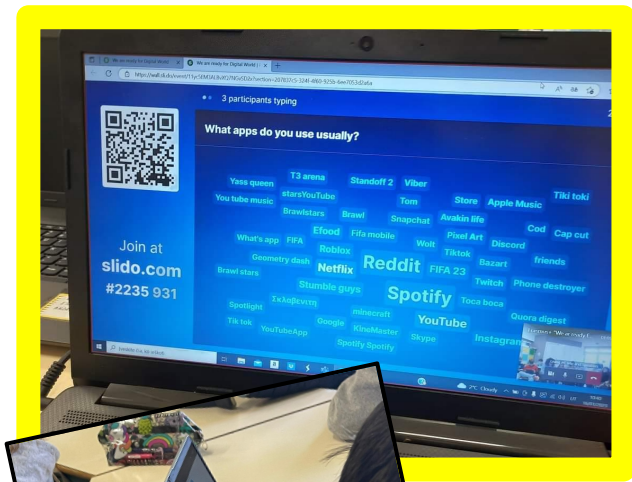

NOTE 8T

Teachers' session on **WordPress** for our web page, organised by students at **Commerce & Marketing**

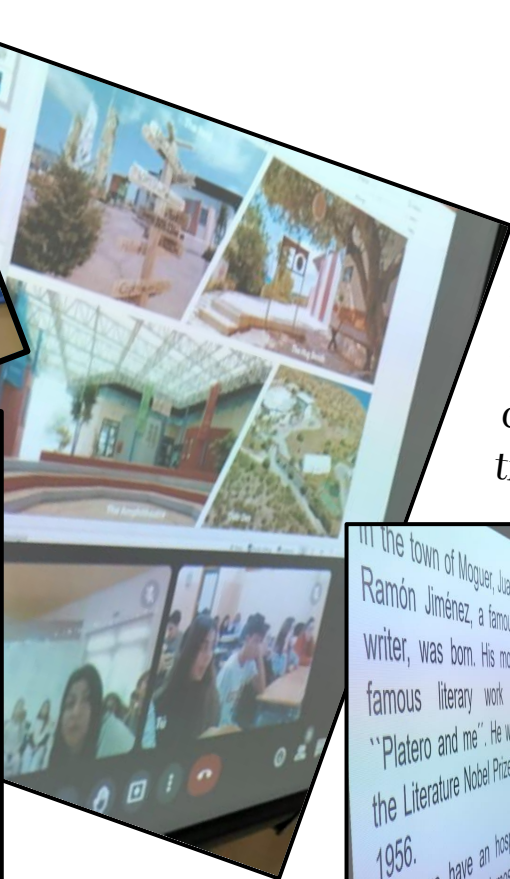

g Triple Camera
mi Galaxy A50

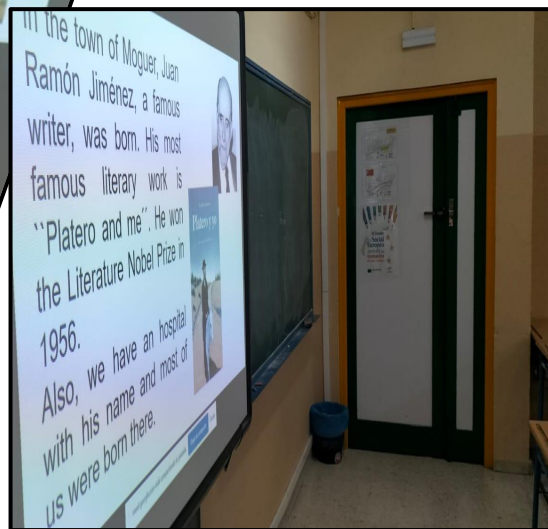

Virtual meeting between grade 4 students at **Primary schools in Greece** (*Xenia*) and **Lithuania** (*Dainora, Lina*).

Students created their avatars, interactive postcards, used Padlet, a game on cybersecurity and analysed the time spent in front of screens. Cooperation was the nicest objective.

Virtual meeting between
a 6th year *Primary group*
in **Greece** (*Xenia*) and a
1st year *Secondary group*
in **Spain** (*Antonio López*).

They talked about their
countries, culture,
traditions, ...

Athens, Greece

THE ANTIKYTHERA MECHANISM

Among the superb findings of the Antikythera wreck was an object full of gears, dials and inscriptions. This particular object is now called the "Antikythera Mechanism". The 82 fragments of the Mechanism are kept in the Bronze Collection of the National Archaeological Museum.

... discovered, it was thought to be an astronomical device – ... navigational device or even

DES Interactive European School - Primary

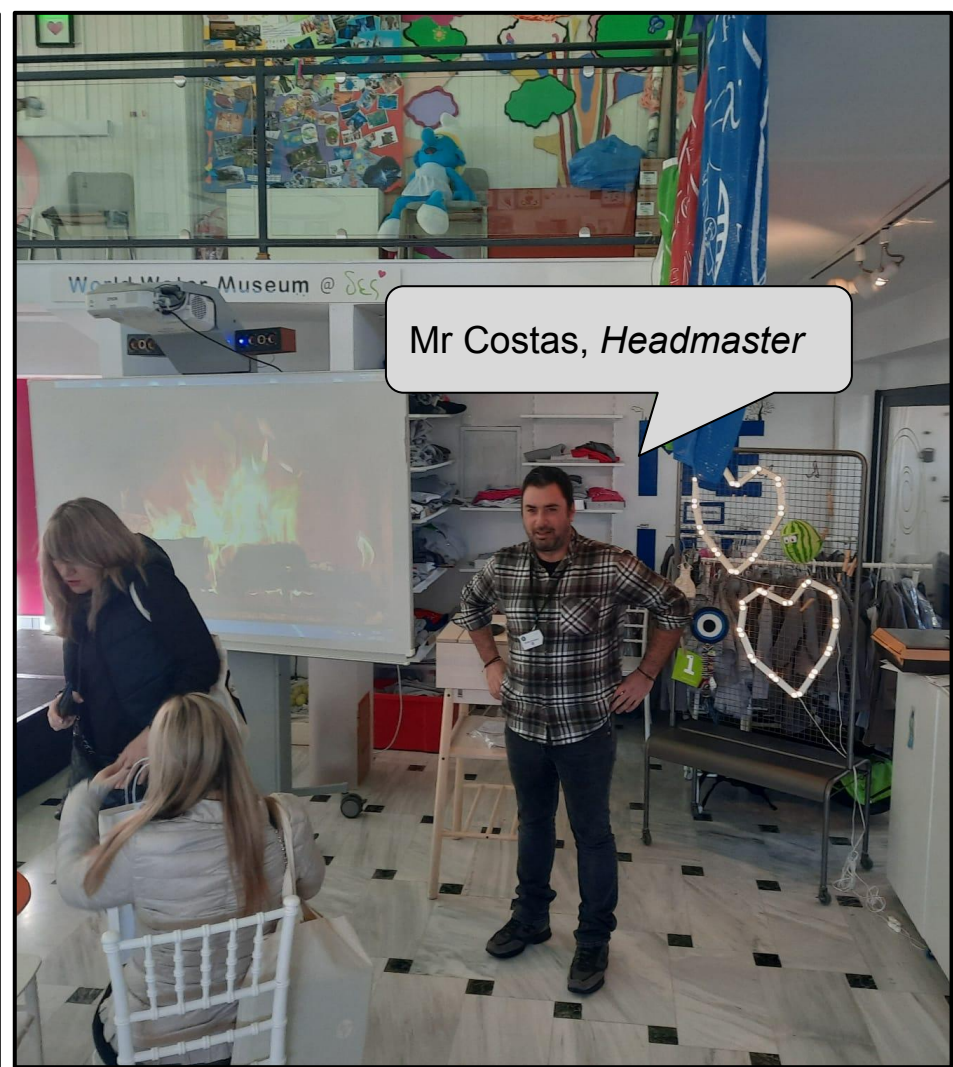

"The first bilingual school in Athens that combines the Theory of Multiple Intelligences, with the prestigious International Baccalaureate Primary Years Programme (IB PYP), which aims to prepare students to be active participants in a lifelong journey of learning. -We strive to make children confident and creative builders of their future, through an inspiring, broad and engaging curriculum. Fun, creativity, engagement, independent learning, curiosity, critical thinking and collaboration are at the heart of everything we do. Our pupils are encouraged to meet academic challenges with openness, enthusiasm, and a willingness to solve problems in an atmosphere of cooperation, care, trust and respect.-"
