

We Are Ready for Digital World  
*eTwinning*

We Are Ready for Digital World is a project to connect teachers and students to the digital era and so, use tools and methods in an effective way. The aim is to work on didactics and practice of virtual platforms, web 2.0 applications, AR, VR, mobile apps and IoT.

*Website*

The poster features a central illustration of a robot whose body is a tablet displaying the flags of Turkey, Finland, Spain, and the Basque Country. The robot has a microphone for a left hand and a mouse for a right hand. Its head is a globe with a map of Europe, wearing headphones and emitting a Wi-Fi signal. A thought bubble above the robot says "Enjoy the project!!". At the top, a hand holds a smartphone displaying the project title. The bottom of the poster includes the Erasmus+ logo, the text "Co-funded by the Erasmus+ Programme of the European Union" with the EU flag, and the logo for "IES SAN SEBASTIÁN".

**KA 226 - "We are ready for a digital world"**

Enjoy the project!!

**Didactics and practice of virtual platforms, web 2.0 applications, AR, AV, mobile apps and IoT**

**Erasmus+**

Co-funded by the Erasmus+ Programme of the European Union
